FINAL MANUSCRIPT REQUIREMENTS

All manuscripts accepted for publication in the Review or Proceedings must be submitted in WordPerfect 7.0 (or higher) or Word 97 (or higher) on a 3 ½” diskette and in hard copy on “STANDARD” 8 ½ x 11 white paper using a letter-quality printer. 1. Spacing and Type. All manuscripts should be single-spaced using size 11 Times New Roman font.
2. **Margins.** The first page of the manuscript should have a two-inch margin from the top of the first page. Side and bottom margins on the first page and all margins on subsequent pages should be one inch. The paragraphs should have a five space indentation.

3. **Title and Headings.** Manuscript titles should be left-justified and bolded in all capital letters. (1) First-level headings should be triple spaced below text, left-justified, bolded and in all capital letters with no numbers. (2) Second-level headings should be centered and bolded with only the first letter of main words capitalized. (3) Third-level headings should be at the left margin and underlined with the first letter of main words capitalized. There should be a triple-space before, and a double-space after, all subheadings.

4. **Abstract.** The abstract should appear three spaces below the title in a section entitled ABSTRACT. It should present the principal substantive or theoretical points of the manuscript in no more than 100 words. Abstracts are not included in Proceedings publications.
